

Abundance: 101

Lesson 6 Writing a Letter to you Own Guardian Angel

Our own guardian angels also want to help us bring abundance into our lives. A great way to ask your guardian angel to help you is to write them a letter. Just sit down with a piece of paper on the top of it put TO MY GUARDIAN ANGEL.

Then just write them a letter asking them for the things you desire in your life. Do you wish more wealth in your life? More love, more friends?

The secret is that you cannot ask for anything just to be above someone else for reasons of "Pride". Nor can you ask for things that might hurt another. You can't ask for someone to leave their husband or wife to be with you.

Remember The Law of What You Sow You Reap will be applied here!

You can ask for anything else though. Money, good health, Porsches, and a better relationship with the ones you love...

When you are finished with your letter write "Thank You Angels" on the bottom of the letter and sign it.

Once your letter is completed, burn it and send the ashes outside to the Angels.

Our Guardian Angels love to help us and this is a great way to let them help bring us the Abundance that we desire. Happy letter writing everyone
