

Abundance: 101

## Lesson 9 Blessing Incoming and Out Going Money

I know you are all doing your prayers for prosperity.  
So you are on roll to more abundance.

This Lesson I want to tell you that it is important to bless your money and the bills you pay. When you get your pay check or money of any kind just hold it for a few seconds. Then in your thoughts thank God for sending it to you.

When you pay your bills hold them and thank God for that blessing also. When you pay your house payment you are thanking God for the house you live in. When you pay any bills bless them and thank God for them.

You must remember that bills are blessing for things we have already gotten to enjoy and use.

When you start doing this you will find that soon you have more money coming in then going out.
