Lesson 12 Oils of Abundance

Are you wearing and carrying all you stones of abundance yet? Don't forget to take them off when you get on the scales .Because I know we are all manifesting that perfect weight on our dream board. Aren't we?

This Lesson I am going to share with you some of the fragrances that attract abundance to us. You can wear them, put it on your money, in your bath water, or sprinkle it around your home and office. I do all of this as I don't want to take any chances on missing out of my abundance!!

To attract prosperity use these fragrances: [Almond](#), [Frankincense](#), [Ginger](#), [Jasmine](#), and [Mint](#).

To attract love use these fragrances: [Rose](#), [Patchouli](#)

To attract more psychic ability use these fragrances: [Sandalwood](#) and [Lilac](#)

You can also buy different oils at your favorite new age store that will work. Most of them are pre mixed for what you are wishing to attract.

Burning incense of the above fragrances also works. Why not check out your new age store and enjoy all the different fragrances that await you there? Some even let you blend you own.

What a nice thought money, love plus psychic ability all in one fragrance. Let your nose enjoy the fragrances.
