

Abundance: 101

Lesson 18 Attracting Money with Trees

Yes, I know this one sounds strange. But I have done a lot with the Native American Indians.

They feel as I do that trees heal and bring abundance to the world and us. Have you ever hugged a tree and felt the energy it has? It feels great and I do it often.

For today's lesson I am going to give you a list of some trees and what they help bring you. Planting these trees, sitting by them or carrying a piece of them will bring you the abundance they attract.

✚ **Acorn:** Grants financial success. Carry an acorn with you. It brings your wishes of prosperity to you.

✚ **Cedar:** Keep you on your spiritual path and helps you become more psychic.

✚ **Fruit Trees:** they all bring abundance to us in ALL AREAS of our life.

✚ **Walnut:** Grants us the ability to manifest money through our prayers.

✚ **Pine:** fosters within us the courage to seek our fortune. It is also a tree that heals us physically and emotionally.

Ok now go find yourself a tree to hug.
